

Instructions for returns

Have you had a discussion with us first regarding the use of this form?
If not, please call us on (08) 8164 6907 to discuss.

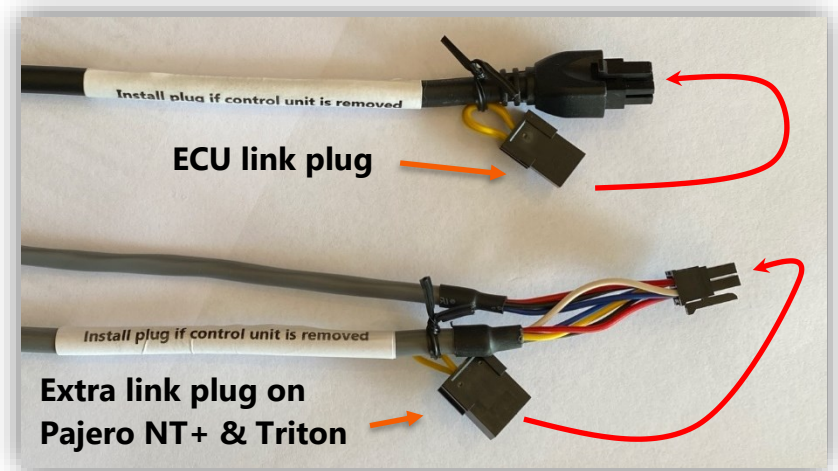

INSTRUCTIONS

1. Complete the lodgement form overleaf and return it with your shipment. Ensure you quote the RMA number if provided by us.
2. If you are removing the control unit ensure the link plug/s are installed onto the cable end.

All vehicles have an ECU link plug attached to the cable.

The Pajero NT+ and Triton MQ have an extra link plug.

The link plug/s return the transmission wiring to factory operation.

3. At your local Post Office purchase a padded mailer that your items will fit into. *Note: The Parcel Collect service is only provided by Australia Post. If you wish to use an alternative courier, please let us know as a different address is needed.*

Address to: MM4X4
Parcel Collect 10156 19100
1242 North East Road
ST AGNES SA 5097

4. Write your sender details on the rear of the mailer.
5. At the counter, you will be required to sign a Dangerous Goods Declaration. **We highly recommend purchasing insurance** for your package as we can't take responsibility if it doesn't arrive.
6. Keep the Australia Post lodgement receipt as this contains your tracking number.
7. As soon as your package has been dispatched, please send us an email to let us know it's on its way: enquiries@mm4x4.com.au
8. We will send you a return email when your shipment is received by us.
